LCol Troy Steele, CD
Commanding Officer
South Alberta Light Horse
Suite 101, 11111-82 Avenue
Edmonton, AB T6G 0T3

Dear LCol Steele:

On behalf of the Edmonton Garrison Military Family Resource Centre (MFRC) I would like to express our sincerest gratitude and appreciation for your generous donation of \$35,000.00 of the proceeds from the Military Cup Golf Tournament. Your substantial support to our organization is appreciated by all of us, but most importantly, by those who benefit – our Military families.

Over 4,900 military personnel call the Edmonton Capital Region home. They and their families rely on the services, programs and ongoing support we at the Military Family Resource Centre strive to provide, and it is only through the support of our donors and sponsors that we are able to ensure that need is met. Military life places significant and unique demands on military families. They often do not live close to their families, endure long absences from spouses; and cope with injury and loss of loved ones.

You may take pride in knowing that your contribution has allowed our Military personnel a degree of comfort in the knowledge that the Military Family Resource Centre is available to assist families in meeting those challenges, whether they are newly arrived here looking for support networks in the local area, or are on training or deployment in some other part of the world.

Military families are the Strength Behind The Uniform, and you, through your generous donation, are the strength behind them. Once again, on behalf of the families we serve, our sincere thanks for your contribution.

Sincerely,

A handwritten signature in blue ink that reads "Roza".

Roza Parlin
Executive Director
